# WELCOME!

## MEET THE OWNERS

Ritchie and Betsy Molitor, married 26 years with 10 children, opened the Terrace on Main in 2022 in order to curate a beautiful space for gathering, hospitality, celebration, and "looking up!" They have lived in beautiful Buena Vista valley for over 15 years. In addition to being with family, whether it be dance parties in the kitchen, surfing on the river, hiking up a mountain, or a mean game of whiffle ball in their front yard, Ritchie and Betsy have loved opening the Terrace on Main for the local community to come and gather and soak in the surrounding beauty AND for visiting couples to have a beautiful space in the heart of downtown to commemorate their special day with friends and family!

BLESSINGS,

*Ritchie, Betsy, and the Terrace Team*

# WHAT IS EVENT INSURANCE... AND WHY DO WE NEED IT?

Simply put, event insurance is protection for you and your guests on your event day. This is relatively inexpensive and, depending on your policy, can cover you and your guests for damages, incidentals, cancellations, and even deposits. This can be as low as \$125 for coverage based on your guest count and how much liability you are comfortable with.

Our preferred insurers are Wedsafe.com and Wedsure.com and we require that all couples provide their proof of insurance 30 days before their event date.

While we do carry our own insurance here at the Terrace on Main, we require that all of our couples make sure their big day is protected. This is a common requirement for wedding venues across Colorado who desire the absolute best experience for their couples and their guests.
