# WELCOME!

## MEET THE OWNERS

Ritchie and Betsy Molitor, married 26 years with 10 children, opened the Terrace on Main in 2022 in order to curate a beautiful space for gathering, hospitality, celebration, and "looking up!" They have lived in beautiful Buena Vista valley for over 15 years. In addition to being with family, whether it be dance parties in the kitchen, surfing on the river, hiking up a mountain, or a mean game of whiffle ball in their front yard, Ritchie and Betsy have loved opening the Terrace on Main for the local community to come and gather and soak in the surrounding beauty AND for visiting couples to have a beautiful space in the heart of downtown to commemorate their special day with friends and family!

## Customize the Drink Menu/Meet with our Mixologist!

Want to create a custom cocktail for your event or add your favorite wine to our menu? Book a meeting with our mixologist to craft the perfect drink for the best celebration! Limiting the menu or renaming our current drinks for your event is included, but this option allows you to create something completely new and signature for your event! (Please note that the drinks for the event are not included in this meeting cost.)

## Customized layout option!

We have several great layout options for you to choose from, but, if you don't see one you love, you have the option of customizing the layout for an additional cost. This cost covers additional labor and set up time to particularize the space to your dream set up!

## Two for One!

Hosting a rehearsal dinner turned welcome party? Or a cocktail hour turned dinner?

With this option, you have the ability to select two of our standard layouts to implement throughout your event. During the event, we will rearrange the space from one layout to the other. Elevate your event with our complete dishware rental package, including a dinner plate, wooden charger, fork, knife, spoon and napkin for each guest. Our team will wash and sanitize dishes, but caterers will be responsible for bussing and clearing our dishware. If your caterer does not offer these services, we can provide this service for an additional \$150.

**\$400**

# WHAT IS EVENT INSURANCE... AND WHY DO WE NEED IT?

Simply put, event insurance is protection for you and your guests on your event day. This is relatively inexpensive and, depending on your policy, can cover you and your guests for damages, incidentals, cancellations, and even deposits. This can be as low as \$125 for coverage based on your guest count and how much liability you are comfortable with.

Our preferred insurers are [Wedsafe.com](https://www.wedsafe.com) and [Wedsure.com](https://www.wedsure.com) and we require that all couples provide their proof of insurance 30 days before their event date.

While we do carry our own insurance here at the Terrace on Main, we require that all of our couples make sure their big day is protected. This is a common requirement for wedding venues across Colorado who desire the absolute best experience for their couples and their guests.
